CONTENTS

01 Why We Made This Animation

创作缘起：为什么用动画讲海南自贸港

- Many people have heard of Hainan Free Trade Port
很多人听过海南自贸港
- Its connection with daily life is still unclear
但它和日常生活的关系仍不够清晰
- Animation helps make an abstract topic more concrete and accessible
动画可以让宏观议题变得更具体、更容易接近

POLICY TO
PEOPLE

02 From Interviews to Animation 从访谈到动画

Interviews 访谈

Characters 角色设定

Script 剧本

- Start from real interviews
从真实访谈出发
- Different groups showed different understandings
不同群体呈现出不同理解
- These perspectives became our characters
这些视角转化成了动画角色

02 From Interviews to Animation 从访谈到动画

Story Logic | 故事设计逻辑

Realistic 真实

The story should feel close to everyday life in Hainan.

故事要像真的会发生在海南的日常生活里

Emotional 触动人心的

The audience should remember a character's question, pressure, or expectation.

观众最后记住的应当是角色的真实反应

Reasonable 合理

Each plot point should naturally lead to the next.

每一个情节都要能自然地推进到下一步

04 Challenges, Solutions and Reflections

制作反思：技术难点、解决方法与项目收获

Challenge	Solution
Clips felt disconnected 片段衔接卡顿	Jimeng keyframe transition 即梦首尾帧 / 智能多帧
Motion was not smooth 画面不够流畅	CapCut AI frame interpolation 剪映AI补帧
Voice sounded flat 配音情绪不足	Human recording + AI voice conversion 真人录音 + AI变音色
Character details changed 角色细节不稳定	Fixed reference images and prompts 固定角色图与提示词
